Comments and Recommendations:

San Gabriel's DBE and MBE spend both dropped noticeably in 2015, and the company's only significant spending in reporting categories is with Latino businesses and WBEs. San Gabriel would benefit from accelerating its supplier diversity strategic plan, incorporating supplier diversity throughout the procurement process, and more assertively working with prime contractors to increase diverse subcontracting opportunities. *SGV also reported \$1,779,229 in spending with LGBT businesses.*
