Project Lead

Lead for the overall project. This may include convening MOU partners and overall project management.

if assigned to a community-based organization
Use this optional add-on card to assign the Project Lead role to an additional partner. Your Project Lead and Project Co-Lead will co-manage relevant responsibilities.

if assigned to a community-based organization
Fiscal & Administrative

Lead for financial and administrative responsibilities related to the project. This may include sub-granting resources to partners, reporting and evaluation.
Facilitation

Leads facilitation for the MOU partners and external stakeholders. This may include agenda development, partner coordination, meeting facilitation, and conflict mediation.
Community Engagement

Lead for organizing and engaging residents and other stakeholders. This may include community outreach, workshop and curriculum development, event planning, and developing an overall community engagement strategy.
