

EMBEDDING EQUITY INTO POLICY

Political Constraints

Choose up to 2 component cards and place here.

Goal

Choose up to 2 “values” component cards and place here.

GOAL: LEGISLATIVE LANGUAGE

For the goal of the policy, write how equity will be advanced. Reference the values you selected, specify the communities that will benefit, and adapt the language as needed in response to the political constraints.

Process

Choose up to 2 component cards and place here.

PROCESS: LEGISLATIVE LANGUAGE

For the process described in the policy, write how equity will be embedded. Adapt the language as needed in response to the political constraints.

Outcomes

Choose up to 2 component cards and place here.

OUTCOME: LEGISLATIVE LANGUAGE

For the outcomes described in the policy, write how equity will be achieved. Adapt the language as needed in response to the political constraints.

Evaluation

Choose up to 2 component cards and place here.

EVALUATION: LEGISLATIVE LANGUAGE

For the evaluation of the policy, write how equity will be ensured. Adapt the language as needed in response to the political constraints.
