October 8 & 9, 2026 San Francisco Hyatt Regency

**JUST
FUTURE
SUMMIT 2026**

Letter to Your Employer

Ask Your Employer

Dear [[EMPLOYER NAME]],

I would like to attend The Greenlining Institute's Just Future Summit, an annual gathering that brings together some of the most important voices in the movement for equity and justice.

The Just Future Summit will be held October 8-9, 2026 at the San Francisco Hyatt Regency. The Just Future Summit 2026 is not just another racial equity conference. It's a power-building convening for advocates, policymakers, community leaders, equity practitioners, and movement builders ready to move from conversation to constructing solutions.

Who Attends Just Future Summit?

Greenlining's Summit brings together national and state leaders, advocates, policymakers, philanthropy, and community organizers all working to advance racial, economic, and climate equity. Participants include a variety of community activists, policy experts, thought leaders, philanthropists, and social entrepreneurs, among others.

What happens at Just Future Summit?

For this two-day event, the Just Future Summit will offer me opportunities to:

- Listen to key speakers who are leading the movement for racial equity
- Join a one-of-a-kind community of multiracial and intergenerational advocates, issue-area experts, organizers, educators, and community leaders
- Participate in informative workshops, panels, and sessions that cover various topics related to racial equity, economic equity, climate equity, and transformative change

JUST FUTURE SUMMIT 2026

- Take advantage of a space that allows me to broaden my perspectives and connect with the wider movement for racial equity

Aside from the valuable insights I and our organization will gain from the Summit, there will be ample opportunities to network and build relationships with others who can bolster and champion our work.

How much will it cost to attend Just Future Summit, and what does it include?

Attending the Just Future Summit is not only a smart decision for our organization, but we also have the flexibility to choose from several attendance levels that offer the best value for our budget. We could even receive 15% off with a group discount if we send four or more employees.

Ticket Types	General Pricing	Description
Sustainer	\$500	This ticket price reflects the per person cost of the event. Recommended for companies and large nonprofits with operating budgets over \$5M.
Supporter	\$300	This subsidized ticket is for medium to small nonprofits with operating budgets under \$5M or those paying for their own ticket.

Registration includes full access to conference materials, and breakfast and lunch on Thursday and Friday, October 8th and 9th. Early bird rates are available through June 15, 2026.

To make our stay convenient and affordable, the Greenlining Institute has reserved a Room Block for October 8 and 9 at the San Francisco Hyatt Regency, with a discounted rate of \$319/night plus taxes and fees. As Room Block sign-ups will close on September 16, we should secure our rooms as soon as possible to avoid missing out on this offer.
